AUTUMN WINTER 24

Bright and dark, at the same time. Strong and mystical, such as the birth of a star.

Let the colours of the cosmos inspire you.

Hell und dunkel zugleich. Stark und mystisch wie die Geburt eines Sterns.

Lass' dich von den Farben des Universums inspirieren.

POESY OF A SUPER- NOVA

It's already getting a little colder. You look outside and your thoughts dance away for a moment.

Like a daydream, a sentimental journey, enveloped in warm, comforting hues that embrace your mind.

Es ist schon etwas kälter geworden. Du blickst nach draußen, und Gedanken tanzen dir für einen Moment davon.

Wie ein Tagtraum, eine sentimentale Reise, umgeben von wärmenden Farben, die deinen Geist umschließen.

COLORS OF A DAYDREAM

Have you ever walked through the park on a moonlit night in winter? If you have, you'll remember the enchanting play of frozen nature's colours. Ice crystals glisten on old rose petals set against a night-blue backdrop. Shadows and brilliance gracefully interplay with each other.

Bist du jemals in einer Mondnacht im Winter durch den Park gelaufen? Dann wirst du dich an das bezaubernde Farbspiel der gefrorenen Natur erinnern. Eiskristalle auf alten Rosenblüten in nachtblauer Umgebung. Schatten und Glanz im Wechselspiel miteinander.
